

## Health Guarantee

We are diligent about the health of our dogs and puppies, and we stand by the health of our puppies. As such, all puppies adopted through Dunlap Family Golden (the seller) are sold with a one-year health guarantee. Within ten days of taking home your new puppy from Dunlap Family Golden, you must take him/her to your trusted and licensed veterinarian for an examination. If the veterinarian determines, within ten days of purchase, that your puppy is clinically ill or if your puppy has died from an injury sustained or illness likely to have been contracted on or before the date of sale and delivery, you have the following options:

1. Return the puppy to Dunlap Family Golden for a complete refund or replacement puppy from a future litter.
2. Keep the puppy & receive reimbursement for reasonable veterinary fees, not to exceed the purchase price.

These options do not apply where the seller discloses in writing, at the time of sale, the health problem for which the buyer later seeks to return the puppy.

Additionally, if within one year of adoption, your trusted and licensed veterinarian determines that your puppy/dog has a congenital or hereditary defect which severely and adversely affects the animal's health or that your puppy/dog has died from a congenital or hereditary defect, you have the same option as outlined above.

In all cases, you must notify Dunlap Family Golden of the illness and the examining veterinarian's name, address & phone number within two days of your veterinarian's certification of your puppy's illness. Failure to notify us within two days will result in forfeiture of your rights.

In all cases, proper documentation must be provided to Dunlap Family Golden before any compensation is provided. This would include your veterinarian's report and invoice.

In all cases, Dunlap Family Golden reserves the right to require the puppy/dog to be examined by our trusted veterinarian before any compensation is provided.

This health guarantee does not cover normal veterinary costs incurred while providing general care for the puppy. This guarantee does not cover any costs incurred related to injuries caused by owner negligence or accidental injury.
